

**ADDENDUM #5
TO SPEC. 06-239**

**TELEVISION REMOTE TRUCK
DIGITAL UPGRADE**

Addendum #5 to Spec. 06-239 for **Television Remote Truck Digital Upgrade**, bids to be opened on Wednesday, August 16, 2006 at 12:00 noon.

1. Do you want to patch into all of their monitors?

YES

2. Is there a line drawing that shows signal flow?

YES, It is listed as Addendum #4.

3. Is AVI doing a system check-out that we have to attend?

Refer to section 7.1 on page 14.

4. Are there any type of audio monitoring at the decks or slow-mo?

NO

5. Is there an audio amp already in the truck or do we need to add that and speakers?

There is one in the truck already.

6. Can we substitute Gepco Triax cable for the Liberty Triax cable?

YES, Please specify your substitutes and why it is an equivalent substitute.

7. Can we substitute the Whirlwind audio snake with a Gepco snake?

YES, See explanation above.

8. Does a preview video monitoring for the CG need to be added?

NO

9. Does a wireless mic antenna need to mount outside the truck?

NO

10. Does the system need a reference generator?

YES, 1 - Test Signal Generator - TSG490 - Sigma
1 - Video Distribution Amplifier - VDA21 - Sigma

11. Are all inputs to the Audio Mixer on patches?

NO, Provide the connectivity as shown on the line drawing.

12. Are all inputs to the Video Switcher on patches?

NO, Provide the connectivity as shown on the line drawing.

13. What's the purpose of the audio router?

The audio router essentially takes the place of an audio patch panel. Some examples of uses are:

Deck to deck auditing

Routing of audio mixer sub-channels to replay devices for isolation.

Routing of direct sources to inside and outside patch panels.

14. Is a performance bond required for this project?

YES, The successful bidder must furnish a performance bond in the sum of the total amount of bid submitted. Bond shall be executed by the vendor and a corporate surety company authorized to transact business in the State of Nebraska. Such bond shall be conditioned upon the faithful performance of all terms and conditions of the contract documents, including the holding harmless of the City of Lincoln from failure to do so, and including the making good of any and all guarantees which the contract documents may require for the duration of the contract period.

15. Are shop drawings, including wiring diagrams, equipment location diagrams, and manufacturer spec sheets submitted with bid?

NO, as long as vendor uses the exact diagrams provided with bid.

All other terms and conditions to remain unchanged.

Dated this 10th day of August, 2006.
